## MISSION

Paoli Presbyterian Church works locally and globally to spread the Gospel of Jesus Christ and meet the needs of people in Jesus' name.

Locally, Paoli operates a Food Cupboard to help families in difficult circumstances. Each December, our Wonder of Christmas program provides gifts for children and families who cannot afford gifts. Among other ministries, we support a shelter and addiction recovery program at CityTeam, in Chester, and the inner-city Cornerstone Christian Academy, in Southwest Philadelphia.

Globally, Paoli works in Egypt to sustain a medical clinic, a seminary, and an orphanage. In Belize, in Central America, we work with a partner church in an impoverished community. We support missionaries and Christian workers in several nations, as well as in the United States.

## CHRISTMAS EVE OFFERING

Tonight, our offering (unless specifically marked otherwise) will go to Cornerstone Christian Academy, a long-time church partner. Cornerstone is an accredited K-8 school serving families in a struggling neighborhood of Southwest Philadelphia. Almost all students need scholarship aid, which we help provide along with general support for the school. Graduates of Cornerstone attend some of the top high schools in Philadelphia and typically go on to college. We also do hands-on work with Cornerstone and will participate in a day of service on January 14 (Martin Luther King weekend).
